

Sanderstead Update

February 2016

Dear Sir or Madam

Welcome to the latest edition of the Sanderstead update. We would like to give you an update about crime and policing information in the Sanderstead area.

Local police officers together with the ward panel members for Sanderstead have set three 'ward promises'. These promises are what your local policing team will focus their efforts on in order to reduce crime in the area.

PROMISES

Burglary - Over the last 4 weeks Sanderstead had a total of **2** residential and non-residential burglaries as marked on the map above ●.

We aim to visit all burglary victims within 24 hours, to ensure we record and use information for intelligence purposes to prevent future offences. We will continue to liaise with Surrey police and surrounding SNT's to combat any cross-ward and cross-borough burglary issues.

Motor vehicle crime - Over the last 4 weeks Sanderstead had a total of **1** 'Thefts from motor vehicles' as marked on the map above ●.

The team conducted a traffic operation on Purley Downs Road. A vehicle travelling over the speed limit, failed to stop for police. Enquiries were conducted around the vehicle and consequently the vehicle was seized for no insurance. Officers are conducting further inquiries into the driver.

ASB in parks and open spaces - The team continues to work hard to reduce other forms of Anti-Social Behaviour on the ward. The team regularly patrols areas such as Sanderstead Recreation Ground, Wettern Tree Gardens and King's Wood. The team have targeted and increased patrols in and around these locations at relevant times.

A group of individuals were stopped and searched in both Sanderstead Recreation Ground and Orchard Road by the entrance to Kings Wood. Consequently two of these individuals were given a cannabis warning form and removed from the area.

On February 7th 2016, Police were called to reports of a crash between a car and a pedestrian on Ingleboro Drive at about 1.27am. He was taken to a south London hospital but died on February 10. The driver was arrested at the scene and has been bailed to a date in June. An inquest into the crash has been opened and adjourned. Anyone with information is asked to call the Serious Collision Investigation Unit at Catford Traffic Garage on **020 8285 1574**

Please be aware that there are many companies plying for trade through leaflet dropping and cold calling at your door. A couple of these companies are being investigated at present for rogue trading.

If any leaflets are posted through your door which offers driveways, tree surgery, general maintenance and cleaning please contact the team or trading standards at Croydon Council. We would like to know the details of the companies using these methods of advertising as there have been links to recent burglaries in the area.

Whilst on patrol, officers came across a vehicle which appeared to be abandoned. Enquires were conducted and the vehicle came back as being stolen.

The vehicle was stolen during a burglary in Coulsdon back in December.
