

Sanderstead Update

March 2016

Dear Sir or Madam

Welcome to the latest edition of the Sanderstead update. We would like to give you an update about crime and policing information in the Sanderstead area.

Local police officers together with the ward panel members for Sanderstead have set three 'ward promises'. These promises are what your local policing team will focus their efforts on in order to reduce crime in the area.

PROMISES

Burglary - Over the last 4 weeks Sanderstead had a total of **4** residential and non-residential burglaries as marked on the map above ●.

We aim to visit all burglary victims within 24 hours, to ensure we record and use information for intelligence purposes to prevent future offences.

We continue to liaise with Surrey police and they have informed us that over the last week or so that they have a number of shed burglaries. Remember to lock your shed or garage after use. Chain items such as bicycles, ladders and lawnmowers to a strong anchor point or to each other and use a closed shackle padlock.

Motor vehicle crime - Over the last 4 weeks Sanderstead had a total of **0** 'Thefts from motor vehicles' as marked on the map above ●.

Officers in plain-clothes and in uniform are on patrol in order to target and arrest motor vehicle crime suspects and to deter them from committing crime in these areas.

Always lock your vehicle and use an Alarm and Immobilizer. Motor cycles should have a disk lock fitted and be secured with a ground anchor. Always protect your keys, never leave a running vehicle unattended and place your keys and any vehicle documents out of sight in your home.

ASB in parks and open spaces - The team continues to work hard to reduce other forms of Anti-Social Behaviour on the ward. The team regularly patrols areas such as Sanderstead Recreation Ground, Purley Beeches and King's Wood. The team have targeted and increased patrols in and around these locations at relevant times.

Over the last couple weeks we have had a number of calls of individuals congregating in Purley Beeches and throwing stones into resident's gardens and damaging their properties. We will continue to patrol the area to find the individuals, but we ask that you remember to call **101** or **999** at the time of the incident.
