

Sanderstead Update

May 2016

Dear Sir or Madam

Welcome to the latest edition of the Sanderstead update. We would like to give you an update about crime and policing information in the Sanderstead area.

Local police officers together with the ward panel members for Sanderstead have set three 'ward promises'. These promises are what your local policing team will focus their efforts on in order to reduce crime in the area.

PROMISES

Burglary - Over the last 4 weeks Sanderstead had a total of 2 residential and non-residential burglaries as marked on the map above ●.

We aim to visit all burglary victims within 24 hours, to ensure we record and use information for intelligence purposes to prevent future offences. We will continue to liaise with Surrey police and surrounding SNT's to combat any cross-ward and cross-borough burglary issues.

We have had a number of crime reports of items being taken from the front porches of properties in Sanderstead and surrounding wards. Do you leave any valuable in your porch and remember to lock your porch door.

Motor vehicle crime - Over the last 4 weeks Sanderstead had a total of 2 'Thefts from motor vehicles' as marked on the map above ●.

Officers in plain-clothes and in uniform are on patrol in order to target and arrest motor vehicle crime suspects and to deter them from committing crime in these areas. We ask that you are vigilant and do not leave any valuables inside your vehicle. Think about where you are leaving your vehicle overnight and what security measures you could take to prevent this from happening to you.

ASB in parks and open spaces - The team continues to work hard to reduce other forms of Anti-Social Behaviour on the ward. The team regularly patrols areas such as Sanderstead Recreation Ground, Purley Beeches and King's Wood.

Always seek assistance from the Police and Local Authority who are working in partnership to tackle Anti Social Behaviour in your community. Do not try and tackle problems on your own. We will continue to patrol the area to find the individuals causing ASB, but we ask that you remember to call **101** or **999** at the time of the incident.
