

URGENT NOTICE
COVID-19

In line with Public Health guidance it is likely that many of the events listed in the Sanderstead News magazine will either be cancelled or postponed.

It is most certainly likely that both the AGM and the VE Day celebrations will not take place on the days stated.

We will endeavour to reschedule these events once we feel it is safe to do so and will carefully follow government announcements and processes to protect our members.

We can keep our website up-to-date with information and if a friend or family member doesn't have the internet maybe you can help keep you informed. We will also put up notices on the Sanderstead Residents' Association noticeboard once we have any confirmed dates.

We are working closely with our local councillors Lynne Hale, Yvette Hopley and Tim Pollard and a co-ordinated approach is being formed with local neighbourhood care organisations, centres and Rotary to support residents at this difficult time.

I apologise for any inconvenience this may cause, but hope you understand that we are experiencing exceptional circumstances whilst the world tries to cope with this pandemic.

In the meantime, keep safe and thank you for your continued support of the Association.

Yours sincerely,

Dennis King
Chairman
