

## UPDATES

### WHAT'S NEW THIS SEASON?

The 2015/16 season marks a very exciting time for the club. Having had £50,000 spent on our training pitch, we have the best surfaces in local area!

The players are ready for the new season with each of our teams hoping to improve on last year. The 1st XV welcomes a new coach who will run **training sessions** at the club every **Tuesday** and **Thursday** from **7.30-9.30** – why not come along and **try it out**?

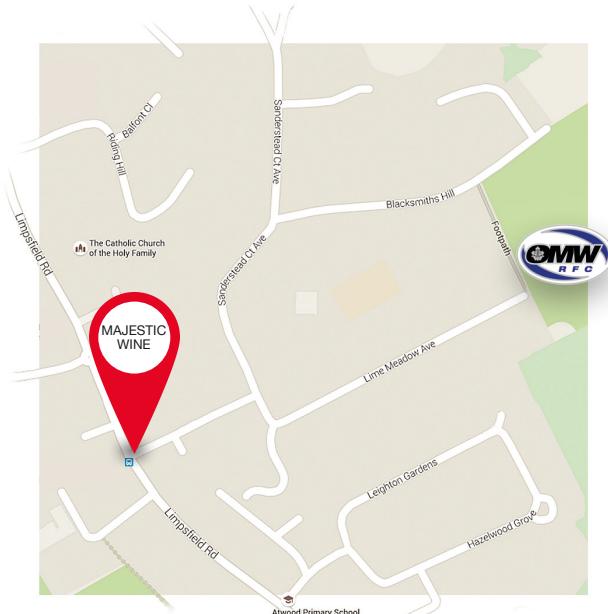

The 1st XV narrowly missed out on promotion last year and are looking to improve this season. The Vets team continues to attract some great players. Last season Kieran Roche (Ex- London Irish and England Saxons, as well as former Old Mid) put his boots back on, and we hope George Chuter (Ex-Leicester and England hooker and Old Mid) might pop down this season too. But don't worry, players of all ages and levels are just as welcome as Ex-professionals!

### THE MINI SECTION

**THE MIDS** runs a growing **minis section** with teams for under 5s all the way up to the under 18s. We are proud of our nurturing and enjoyment focussed ethos. We have great **parental support** at the club and would welcome any children who want to give it a go, training is every Sunday from 10am! Last season saw five former minis playing for the 1st XV... **a great day for the boys, parents and the club.**
